Armor Proponent Initiatives Affecting TASS

- **Near Term Fix for Armor/Cavalry ANCOC and BNCOC**
- **Full course updates including DL for Armor/Cavalry ANCOC and BNCOC**
- **DL conversion of Phase 1 for CMF 19 Reclassification Courses**
- **TC3 and SC3 courseware updates**
- **Continued development of the TATS Maint Leader Course (DL), and Armor Captains Career Course (DL and resident)**
- **Improved 19K/19D MOS Reclassification requirements for RC NCOs**
- **Armor Center holding AC units to the same accreditation**

Armor Proponent School Issues Affecting TASS

- **Instructor Certification Policy for instructors candidates who are missing prerequisite experience: "fully qualified in the MOS for which instructor duty is desired and have at least one year of experience in that MOS," AR 614-200, Sec II, Para 6-9**
- **NGB non-concurrence for Near Term Fix to Cavalry Scout ANCOC**
- **Title XI Cuts - no 19D Title XI SMEs left at the Armor Proponent by Jun 02**
- **Need approved TRADOC/DAC/DCST Standardized Platform**

TASS - Related Installation Support Challenges

- **Armor Proponent Title XI Cuts coming at the same time as increased demands for Title XIs to conduct assessments/ accreditation of proponent units**
- **Funding shortfalls for converting ANCOC and BNCOC courseware to DL**
- **Funding shortages are affecting the quality of training at ARNG school sites**
- **Cooperation problems between TASS BNs and functionally aligned/ remote sites in other States continues to be leading cause of training not being executed to standard in some TASS regions**
